2018 McKinney-Vento Continuum of Care Homeless Assistance Grants

2018 CoC Performance Measures

The performance measures will be incorporated into the Renewal Project Scoring Tool in the following way:

- Each project will only be scored on those measures relevant to its program type.
- Depending on the number of measures relevant to each program type, each relevant measure will be assigned a number of points (so all add up to the 17 points on the scoring tool).

<table>
<thead>
<tr>
<th>Project Type</th>
<th># of points/measure</th>
</tr>
</thead>
<tbody>
<tr>
<td>PSH/SSO to PSH Projects</td>
<td>1.7</td>
</tr>
<tr>
<td>RRR/SSO to RRH &amp; TH</td>
<td>2.125</td>
</tr>
<tr>
<td>SSO Employment</td>
<td>2.429</td>
</tr>
<tr>
<td>SSO Legal</td>
<td>2.833</td>
</tr>
</tbody>
</table>

- If a project meets the benchmark, it will receive the full amount of points allocated to that measure.
- If a project does not meet the benchmark, it will be scored on a scale compared to other similar projects.
- The amount of points received on all applicable measures will be added up as the score for Factor 1a of the Renewal Project Scoring Tool.
- Scales will be available, upon request, during the Program Evaluation Report review process.

<p>| # | Measure                          | Defined                                                                 | PSH       | SSO to PSH | RRH       | SSO to RRH | TH | SSO Employment | SSO Legal |
|---|----------------------------------|------------------------------------------------------------------------|-----------|------------|-----------|------------|    |                |          |
| 1 | Obtain/Retain PH                | % of participants remaining in PH or exited to PH                      | 90%       | 90%        |           |            |    |                |          |
|   |                                  | % of participants exited to PH                                        |           |            | 80%       | 80%        | 80%| 40%            | 30%      |
| 2 | Reduce evictions                 | % of households evicted this year                                    | &lt; 10%     | &lt; 10%      |           |            |    |                |          |
| 3 | Recidivism                       | % of participants who did not exit to PH, death, or institution       | &lt; 5%      | &lt; 5%       |           |            |    |                |          |</p>
