1. Background

A. Intent
The City and County of San Francisco (City) Department of Homelessness and Supportive Housing (HSH) invites proposals from qualified Proposers to provide fiscal agent services to administer the Mayor’s Fund for the Homeless (MFH), beginning April 15, 2019. The MFH receives all private grants, gifts and bequests of money for the purpose of providing shelter, food, and other assistance to people at risk of homelessness or who are experiencing homelessness. The role of the fiscal agent will be to disburse MFH funding on a case-by-case basis, at the direction of HSH.

HSH intends to make one contract award through this procurement process to the Proposer selected as the most qualified, whose response conform to the RFP and meet the City requirements.

HSH may extend the contract for a total term not to exceed ten years and increase contract amounts in accordance with City rules and regulations. The actual agreement terms and amounts are subject to funding availability, proposals, Awarded Contractor agreement negotiations, and Contractor performance, as well as future needs.

B. Overview of HSH’s Strategic Framework and Statement of Need
In October 2017, HSH published its Strategic Framework, which lays out the Department’s vision and top priorities for significantly reducing homelessness in San Francisco by the end of 2022. It describes the key elements of a Homelessness Response System (HRS) designed to curb homelessness and look at each of the three primary groups experiencing homelessness in San Francisco—adults, families with children, and youth—and what is needed to better meet the specific needs of each population.

The Framework seeks to align existing and new programs within a system that treats homelessness as an emergency to be responded to quickly and effectively. To effectively implement this system-wide approach, all resources and programs must employ consistent, compassionate, and common-sense strategies with measurable goals. Using the HRS, HSH and its partners will match resources to needs and ensure that those with the greatest challenges receive targeted assistance. Data and accountability will be built into the system. The strengths and dignity of people who are experiencing homelessness will be elevated throughout the system. Proposers are encouraged to familiarize themselves with the Framework, which can be found at hsh.sfgov.org.

C. Mayor’s Fund for the Homeless (MFH)
The MFH is a category eight fund established by the City and County of San Francisco per the Administrative Code Section 10.100-106, to receive private donations (grants, gifts, and bequests of money) which may from time to time provide food, shelter, supportive services, and other assistance to people at-risk of or experiencing homelessness. Funds which are donated for a specific project are expended only for that project. The MFH benefits individuals experiencing homelessness or marginally housed very low-income residents of San Francisco. Funding may also be provided to support programs and initiatives that seek to serve this population and help them to either exit homelessness or prevent homelessness from occurring, including immediate financial support to stabilize housing situations.

These funds help improve outcomes for individuals in all of HSH’s programs, including shelters, transitional and permanent supportive housing. For example, these funds may also be used to help support individuals who are exiting a Navigation Center. The MFH enables HSH to more actively
fundraise and to engage with community members who are interested in supporting the City’s efforts to make homelessness rare, brief and one-time.

The MFH is used exclusively for the purpose of providing food, shelter supportive services, and other assistance, and for costs incurred for promotion of the MFH.

To date, the MFH average annual balance is $300,000.

D. Funding Sources
At this time, HSH anticipates that the sources of funding primarily include private donations from individuals. Payment for all services provided in accordance with provisions under this RFP shall be contingent upon the availability of funds for these services. The City shall not be required to provide any definite units of services nor does the City guarantee any minimum amount of funding for the services described in this RFP.

2. Scope of Work

This Scope of Work is a general guide to the work the City expects the Contractor to perform, and is not a complete listing of all services that may be required or desired.

1. Issue payments to organizations as agreed upon and authorized in writing by HSH in advance of payment; and

1. The Awarded Contractor shall ensure that all disbursements made from the MFH align with the guidelines in this scope and within the parameters of Administrative Code Section 10.100-106.

3. Funds shall be remitted via check directly to the vendor providing the services to the individual, per the directive of HSH. No payments shall be made directly to individuals themselves.

4. Contractor shall attend all meetings as required by HSH.

5. Contractor shall participate, as required, by HSH in City, State and/or Federal government evaluative studies designed to show the effectiveness of Contractor services. evaluation program shall be made available to Contractor within 30 working days of receipt of any evaluation report and such response will become part of the official report.

Contractor filing system shall comply with HSH policies regarding the protection of private health information as required by its Agreement with the City.

7. Any information shared between Contractor, HSH and other providers about individuals served by the system shall be communicated in a secure manner, with appropriate release of consent forms and in compliance with HIPAA guidelines and HSH policies.

8. Contractor recognizes that funding for these services may be provided to the City through private donations and grants. Contractor agrees to comply with the provisions of the funding sources.

C. Service and Outcome Objectives
Objectives will be measured by reported data as specified in Section D. Reporting Requirements and/or via program monitoring or audit.

1. Process Objectives

1. The Awarded Contractor shall provide quarterly reports on funds disbursed on behalf of the MFH.

2. When required by HSH, Contractor shall provide reports of activities, referencing the tasks as described in the service and outcome objectives section of any resulting agreement. Reports may also include accomplishments and challenges encountered by the Awarded Contractor.

3. Contractor shall provide Ad Hoc reports, as required by the Department, and respond to requests by HSH in a timely manner. Any information shared between Contractor, HSH and other providers about recipients will be communicated in a secure manner, with appropriate release of consent forms and in compliance with HIPAA guidelines.

E. As-Needed Services
   Subject to the City’s approval, the contract awarded under this RFP may be amended in accordance with City requirements to include additional services by Awarded Contractors, as needed by the City.

This RFP does not in any way limit the City’s right to solicit contract agreements for similar or identical services.

A. Minimum Qualifications

The Proposer must clearly demonstrate that it meets the Minimum Qualifications to be considered for evaluation. The Proposer’s responses to Minimum Qualifications in RFP Appendix 1 will be reviewed on a pass/fail basis to determine eligibility for proposal evaluation only.

The Minimum Qualifications determination will be solely based on the information submitted by the Proposer. Insufficient or incomplete information will result in a proposal being considered non-responsive. Responses of “to be provided upon request” or “to be determined” or “Confidential” or the like, or that do not otherwise provide the information requested (e.g., left blank) are not acceptable. Any proposal that does not demonstrate that the Proposer meets the Minimum Qualifications for the grant to which it is applying will be issued a notice of non-responsiveness and may not be evaluated or eligible for contract or grant award under this RFP.

The City reserves the right to request clarifications from Proposers prior to rejecting a proposal for failure to meet the Minimum Qualifications. Clarifications are limited exchanges between the City and Proposer and will not provide a Proposer the opportunity to revise or modify its proposal.

B. Proposal Evaluation (100 total possible points)

HSH intends to award a contract to the Proposer that it considers will provide the best overall program services at a reasonable pricing structure. HSH reserves the right to accept other than the lowest priced offer and to reject any proposals that are not responsive to this RFP. Proposals will be evaluated by an Evaluation Panel. The City intends to evaluate the proposals generally in accordance with the criteria itemized below.

6. Terms and Conditions for Receipt of Proposals

A. Errors and Omissions in RFP
Proposers are responsible for reviewing all portions of this RFP. Proposers are to promptly notify the Department, in writing, if the Proposer discovers any ambiguity, discrepancy, omission, or other error in the RFP. Any such notification should be directed to the Department promptly after discovery, but in no event later than 72 hours prior to the Proposals Deadline.

B. Inquiries Regarding RFP
Proposers shall submit all questions concerning this RFP, scope of services or requirements in writing by email only before the RFP Questions Deadline and directed to: Monique.Colon@sfgov.org. All Proposer questions concerning the RFP process shall be submitted no later than 72 hours prior to the Proposals Deadline. Proposers who fail to do so will waive all further rights to protest, based on these specifications and conditions.

C. Objections to RFP Terms
Should a Proposer object on any ground to any provision or legal requirement set forth in this RFP, the Proposer must, not less than 72 hours prior to the Proposals Deadline, provide written notice to the Department setting forth with specificity the grounds for the objection. The failure of a Proposer to object in the manner set forth in this paragraph shall constitute a complete and irrevocable waiver of any such objection.

D. Change Notices
The Department may modify the RFP, prior to the Proposals Deadline, by issuing Addenda to the RFP, which will be posted at http://mission.sfgov.org/OCABidPublication. The Proposer shall be responsible for ensuring that its proposal reflects any and all Addenda issued by the Department prior to the Proposals Deadline regardless of when the proposal is submitted. Therefore, the City recommends that the Proposer consult the website frequently, including shortly before the Proposals Deadline, to determine if the Proposer has downloaded all RFP Addenda. It is the responsibility of the Proposer to check for any Addenda, Questions and Answers, and updates, which will be posted on the City’s Bid and Contracts website: http://mission.sfgov.org/OCABidPublication.

E. Term of Proposal
Submission of a proposal signifies that the proposed services and prices are valid for 180 calendar days from the Proposals Deadline and that the quoted prices are genuine and not the result of collusion or any other anti-competitive activity. At Proposer’s election, the proposal may remain valid beyond the 180 day period in the circumstance of extended negotiations.

F. Revision of Proposal
A Proposer may revise a proposal on the Proposer’s own initiative at any time before the Proposals Deadline. The Proposer must submit the revised proposal in the same manner as the original. A revised proposal must be received on or before, but no later than the Proposals Deadline.

In no case will a statement of intent to submit a revised proposal, or commencement of a revision process, extend the Proposals Deadline for any Proposer. At any time during the proposal evaluation process, the Department may require a Proposer to provide oral or written clarification of its proposal.
The Department reserves the right to make an award without further clarifications of proposals received.

G. Errors and Omissions in Proposal
Failure by the Department to object to an error, omission, or deviation in the proposal will in no way modify the RFP or excuse the Proposer from full compliance with the specifications of the RFP or any contract or grant awarded pursuant to the RFP.

H. Financial Responsibility
The City accepts no financial responsibility for any costs incurred by a firm in responding to this RFP. Submissions of the RFP will become the property of the City and may be used by the City in any way deemed appropriate.

I. Proposer’s Obligations under the Campaign Reform Ordinance
Proposers must comply with Section 1.126 of the S.F. Campaign and Governmental Conduct Code, which states:

No person who contracts with the City and County of San Francisco for the rendition of personal services, for the furnishing of any material, supplies or equipment to the City, or for selling any land or building to the City, whenever such transaction would require approval by a City elective officer, or the board on which that City elective officer serves, shall make any contribution to such an officer, or candidates for such an office, or committee controlled by such officer or candidate at any time between commencement of negotiations and the later of either (1) the termination of negotiations for such contract, or (2) three months have elapsed from the date the contract is approved by the City elective officer or the board on which that City elective officer serves.

If a Proposer is negotiating for a contract that must be approved by an elected local officer or the board on which that officer serves, during the negotiation period the Proposer is prohibited from making contributions to:

- The officer’s re-election campaign;
- A candidate for that officer’s office; and
- A committee controlled by the officer or candidate.

The negotiation period begins with the first point of contact, either by telephone, in person, or in writing, when a Proposer approaches any city officer or employee about a particular contract or grant, or a city officer or employee initiates communication with a potential contractor or grantee about a contract or grant. The negotiation period ends when a contract or grant is awarded or not awarded to the Proposer. Examples of initial contacts include: (1) a Proposer contacts a city officer or employee to promote himself or herself as a candidate for a contract or grant; and (2) a city officer or employee contacts a provider to propose that the contractor apply for a contract or grant. Inquiries for information about a particular contract or grant, requests for documents relating to a Request for Proposal, and requests to be placed on a mailing list do not constitute negotiations.

Violation of Section 1.126 may result in the following criminal, civil, or administrative penalties:

- Criminal. Any person who knowingly or willfully violates section 1.126 is subject to a fine of up to $5,000 and a jail term of not more than six months, or both.
- Civil. Any person who intentionally or negligently violates section 1.126 may be held liable in a civil action brought by the civil prosecutor for an amount up to $5,000.
• Administrative. Any person who intentionally or negligently violates section 1.126 may be held liable in an administrative proceeding before the Ethics Commission held pursuant to the Charter for an amount up to $5,000 for each violation.

For further information, Proposers should contact the San Francisco Ethics Commission at (415) 581-2300.

J. Sunshine Ordinance
In accordance with S.F. Administrative Code Section 67.24(e), Proposers’ bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts or grants shall be open to inspection immediately after a contract or grant has been awarded. Nothing in this provision requires the disclosure of a private person’s or organization’s net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

K. Public Access to Meetings and Records
If a Proposer is a non-profit entity that receives a cumulative total per year of at least $250,000 in City funds or City-administered funds and is a non-profit organization as defined in Chapter 12L of the S.F. Administrative Code, the Proposer must comply with Chapter 12L. The Proposer must include in its proposal (1) a statement describing its efforts to comply with the Chapter 12L provisions regarding public access to Proposer’s meetings and records, and (2) a summary of all complaints concerning the Proposer’s compliance with Chapter 12L that were filed with the City in the last two years and deemed by the City to be substantiated. The summary shall also describe the disposition of each complaint. If no such complaints were filed, the Proposer shall include a statement to that effect. Failure to comply with the reporting requirements of Chapter 12L or material misrepresentation in Proposer’s Chapter 12L submissions shall be grounds for rejection of the proposal and/or termination of any subsequent Agreement reached on the basis of the proposal.

L. Reservations of Rights by the City
The issuance of this RFP does not constitute an agreement by the City that any contract or grant will actually be entered into by the City. The City expressly reserves the right at any time to:
1. Waive or correct any defect or informality in any response, proposal, or proposal procedure;
2. Reject any or all proposals;
3. Reissue a Request for Proposals;
4. Prior to submission deadline for proposals, modify all or any portion of the selection procedures, including deadlines for accepting responses, the specifications or requirements for any materials, equipment or services to be provided under this RFP, or the requirements for contents or format of the proposals;
5. Procure any materials, equipment or services specified in this RFP by any other means; or
6. Determine that no project will be pursued.

M. No Waiver
No waiver by the City of any provision of this RFP shall be implied from any failure by the City to recognize or take action on account of any failure by a Proposer to observe any provision of this RFP.

N. Local Business Enterprise Goals and Outreach
Due to county, federal, state and private funding for these services, LBE bid discounts will not be used in this RFP.
O. Compliance with Previous Grant and Contract Requirements

Agencies submitting proposals that have previously been granted by the City and County of San Francisco and/or Federal agencies to provide goods and/or services must successfully demonstrate compliance with performance/monitoring requirements specified in previous contracts or grants (corrective actions) in order to be considered responsive to this RFP. Documented failure to correct performance/monitoring deficiencies identified in past City and County contracts or grant may result in agency disqualification to participate in this RFP.

P. Other Terms and Conditions

The selection of any Proposer for contract or grant agreement negotiations shall not imply acceptance by the City of all terms of any proposal or response to this RFP, which may be subject to further negotiation and approvals by the City.

If a satisfactory contract or grant agreement cannot be negotiated in a reasonable time with the selected Proposer, then the City, in its sole discretion, may terminate negotiations and begin contract or grant agreement negotiations with the next highest scoring Proposer or may continue competition among remaining Proposers without reinitiating the RFP process.

The City reserves the right at any time to approve, disapprove, or modify proposed staffing, plans, timelines and deliverables, provided that all modifications are within the scope of services sought by this RFP.

This RFP does not in any way limit the City’s right to solicit contracts or grant agreements for similar or identical services if, in the City’s sole and absolute discretion, it determines the proposals submitted in response to this RFP are inadequate to satisfy its needs.

7. City Agreement Requirements

A. Compliance with Laws and Regulations

Proposers must comply with all applicable State, Federal, and local laws. In the event any governmental restrictions may be imposed which would necessitate alteration of the material, quality, workmanship or performance of the items offered on this Proposal prior to their delivery, it shall be the responsibility of the successful Proposer to notify the City at once, indicating in their letter the specific regulation which required such alterations. The City reserves the right to accept any such alterations, including any price adjustments occasioned thereby, or to cancel the contract.

B. City’s Approval Rights over Subcontractors and Subcontractor Payments

The City has approval rights over the use of all Subcontractors. Proposers must identify all current Subcontractors in their Proposal. All current and future Subcontractors must conform to all City policies regarding Subcontractors. Furthermore, each Proposer understands, acknowledges, and agrees that if it subcontracts with a third party for services, the Proposer accepts responsibility for full and prompt payment to the third party. Any dispute between the Proposer and the third party, including any payment dispute, will be promptly remedied by the Proposer. Failure to promptly remedy or to make prompt payment to a third party (Subcontractor) may result in the City’s withholding of payment to the Proposer.

C. Release of Liability

The Proposer hereby releases all individuals, entities and firms from all claims and losses that may arise from said individuals, entities or firms providing information, comments, or conclusions to
inquiries that the City and County of San Francisco may make regarding the qualifications of any individual or firm seeking to be selected as a contractor or Subcontractor in connection with this RFP. This release is freely given and will be applicable whether or not the proposals by said individuals, entities or firms are accurate or not, or made willfully or negligently.

D. Term of Cost and Work Effort Estimate
Submission of a Proposal signifies that the proposed services and prices are valid for the full term of the contract awarded under this RFP, including all options to extend, and that the quoted prices are genuine and not the result of collusion or any other anti-competitive activity.

The City may award contract(s) or grant(s), based on Proposals received without discussion. A Proposer’s initial cost and work effort estimate should, therefore, be based on the most favorable terms available. The City reserves the right to accept other than the lowest price offer and reject all Proposals that are not responsive to this RFP.

E. Standard Agreement Provisions
The successful Proposer will be required to enter into a contract or grant agreement. Failure to timely execute the agreement, or to furnish any and all insurance certificates and policy endorsement, surety bonds or other materials required in the agreement, shall be deemed an abandonment of a contract or grant offer. The City, in its sole discretion, may select another Proposer.

F. Nondiscrimination in Contracts and Benefits
The successful Proposer will be required to agree to comply fully with and be bound by the provisions of Chapters 12B and 12C of the San Francisco Administrative Code. Generally, Chapter 12B prohibits the City and County of San Francisco from entering into contracts or leases with any entity that discriminates in the provision of benefits between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of employees. The Chapter 12C requires nondiscrimination in contracts in public accommodation. Additional information on Chapters 12B and 12C is available on the CMD’s website at http://sfgov.org/cmd/.

G. Minimum Compensation Ordinance (MCO)
The successful Proposer will be required to agree to comply fully with and be bound by the provisions of the Minimum Compensation Ordinance (MCO), as set forth in S.F. Administrative Code Chapter 12P. Generally, this Ordinance requires contractors to provide employees covered by the Ordinance who do work funded under the contract with hourly gross compensation and paid and unpaid time off that meet certain minimum requirements. For the amount of hourly gross compensation currently required under the MCO, see www.sfgov.org/olse/mco. Note that this hourly rate may increase on January 1 of each year and that contractors will be required to pay any such increases to covered employees during the term of the contract. Additional information regarding the MCO is available on the web at www.sfgov.org/olse/mco.

H. Health Care Accountability Ordinance (HCAO)
The successful Proposer will be required to agree to comply fully with and be bound by the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in S.F. Administrative Code Chapter 12Q. Contractors should consult the San Francisco Administrative Code to determine their compliance obligations under this chapter. Additional information regarding the HCAO is available on the web at www.sfgov.org/olse/hcao.

I. First Source Hiring Program (FSHP)
If the contract is for more than $50,000, then the First Source Hiring Program (Admin. Code Chapter 83) may apply. Generally, this ordinance requires contractors to notify the First Source Hiring Program of available entry-level jobs and provide the Workforce Development System with the first opportunity to refer qualified individuals for employment.

Contractors should consult the San Francisco Administrative Code to determine their compliance obligations under this chapter. Additional information regarding the FSHP is available on the web at http://oewd.org/first-source and from the First Source Hiring Administrator, (415) 701-4848.

J. Conflicts of Interest
The successful Proposer will be required to agree to comply fully with and be bound by the applicable provisions of state and local laws related to conflicts of interest, including Section 15.103 of the City's Charter, Article III, Chapter 2 of City’s Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California. The successful Proposer will be required to acknowledge that it is familiar with these laws; certify that it does not know of any facts that constitute a violation of said provisions; and agree to immediately notify the City if it becomes aware of any such fact during the term of the Agreement.

Individuals who will perform work for the City on behalf of the successful Proposer might be deemed consultants under state and local conflict of interest laws. If so, such individuals will be required to submit a Statement of Economic Interests, California Fair Political Practices Commission Form 700, to the City within ten calendar days of the City notifying the successful Proposer that the City has selected the Proposer.

A list of states on the Covered State List is available at the website of the City Administrator.

9. Standard City Vendor Forms

A. How to Become Eligible to Do Business with the City
Before the City can award any award to a provider, all providers must meet the minimum requirements described below. There may be additional requirements placed upon a provider depending on the type of good or service to be purchased.

3 In this RFP section, the term “Vendor” is used interchangeably with “Supplier,” and describes a provider seeking to enter into contract or grant agreement with the City. Since the City’s transition to the PeopleSoft Financial System (F$P) in 2017, City providers are now assigned Supplier identification numbers (Supplier IDs), which replace previously-assigned Vendor numbers. Any references on proposal forms to “Vendor Number” shall mean a Supplier ID, assigned by the City. For more information, please visit https://sfcitypartner.sfgov.org/.
B. Mandatory Forms
At a minimum, in order to become eligible to do business with the City, a provider must submit the following documents to the Vendor Support Division via the City’s supplier portal located at https://sfcitypartner.sfgov.org/:
1. Vendor Application Packet (includes New Vendor Number Request Form and IRS Form W-9)
2. CCSF Vendor - Business Registration (Electronic Submission - you must have a vendor number to complete)
3. CMD 12B-101 Declaration of Nondiscrimination in Contracts and Benefits

C. Provider Eligibility and Invoice Payment
Providers must have a City-issued Supplier number, have all compliance paperwork submitted and approved by the City, and have an executed agreement or purchase order before payments can be made. Once a Supplier number has been assigned, an email notification will be provided by the City's Vendor File Support Division. This notification will include instructions on how to sign up to receive payments through the City's supplier portal located at https://sfcitypartner.sfgov.org/.
