We will send a medical team to see you if needed. Street Medicine is unable to obtain hotel rooms or shelter for anyone at this time.

Keep practicing Harm Reduction

- Use less
- Use slow
- Try not to use alone / have someone check on you
- Use fentanyl test strips for pills, cocaine/crack, and black tar heroin for more information on the strength of your drugs
- Have Narcan (a lot of it) and know how to use it

Emotional Support
