Problem Solving

9

A conversation that addresses and prevents homelessness by helping people to:

- Provides monetary and non-monetary assistance and housing options outside of the Homeless Response System;
- Without having to enter temporary shelter or a housing program as their first option if not needed; and
- Utilizes safe and available permanent and temporary housing options.

Priority Status Assessment

10

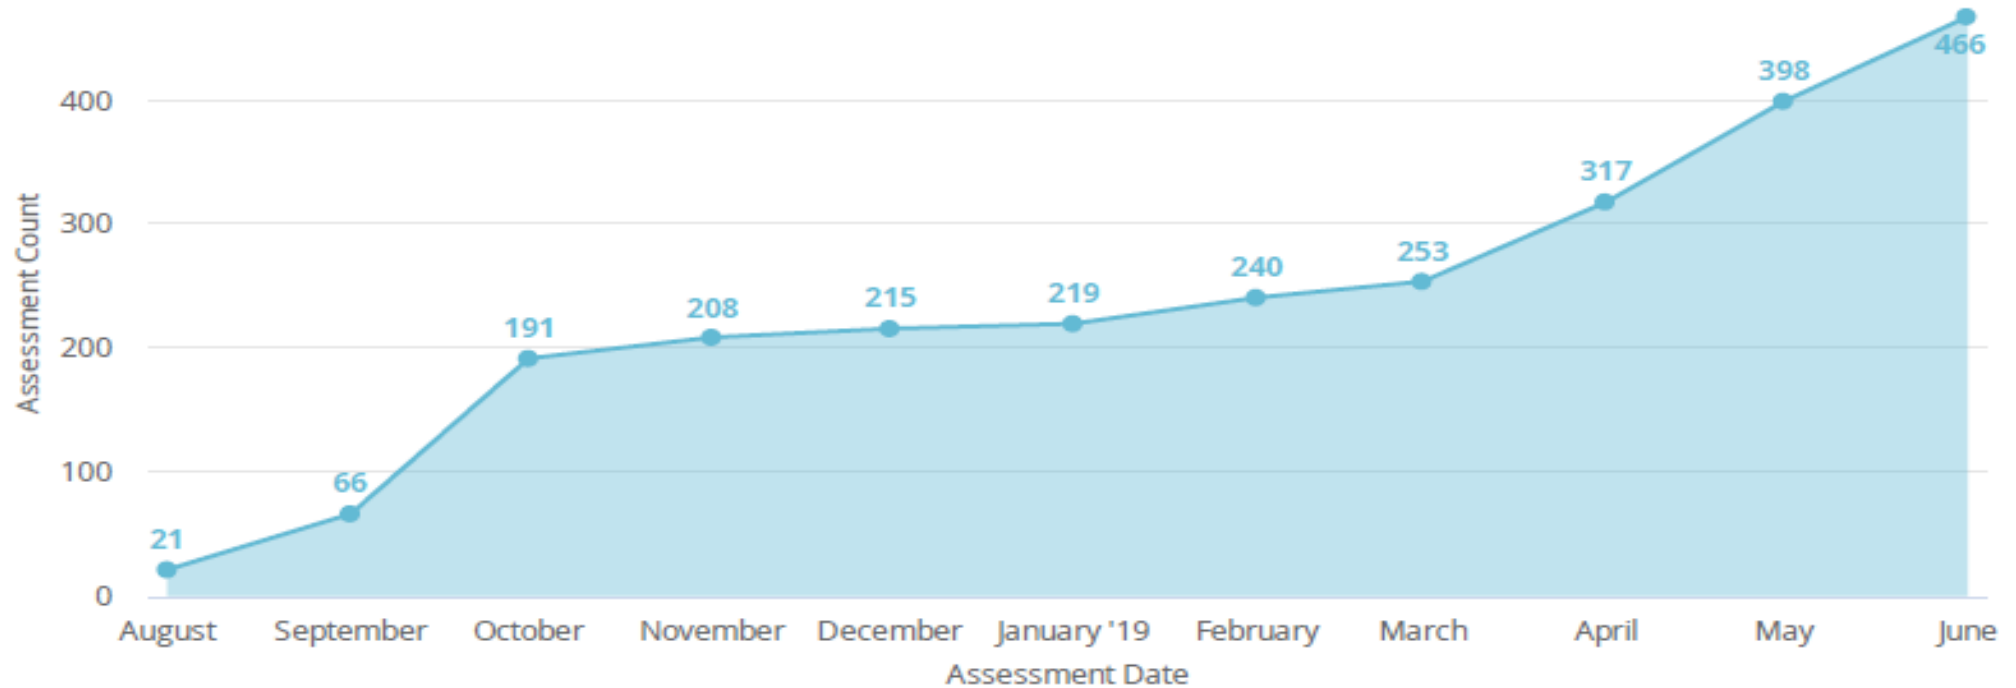

- **Priority Status:** people experiencing homelessness who are prioritized for housing based on their health **vulnerability, housing barriers, and chronicity of homelessness**
 - Priority status is determined by the HSH Assessment Process
 - Priority Status households will be assigned a housing navigator who will match the household for available housing
 - Non priority status households **will not** be referred to HSH-funded permanent housing programs, but will be offered Problem Solving again
 - To reflect the unique needs of youth, HSH has improved our Adult Primary Assessment to adequately prioritize youth
