1. Background

A. Intent

The City and County of San Francisco (City) Department of Homelessness and Supportive Housing (HSH) invites applications from qualified nonprofit Applicants to deliver three components of its Homelessness Response System (HRS): 1. Homelessness Prevention; 2. Rapid Rehousing; and 3. Emergency Shelter. These interventions provide assistance to prevent households from entering the HRS or, if they are already experiencing homelessness, to quickly help households secure a stable housing solution.

This RFQ will serve two purposes:

1. To qualify Applicants whose responses conform to this RFQ and meet the City's requirements; and
2. To make multiple grant awards to the Applicants selected as the most qualified whose responses conform to this RFQ and meet the City's requirements for an initial two-year term, beginning July 1, 2020.

Selected Grantees are expected to provide all services described in under each service component, as listed in this RFQ, in compliance with the funding requirements. Applicants may submit an application for one or more service components.

At this time, it is estimated that \$1,240,000 million is available annually in U.S. Department of Housing and Urban Development (HUD) Emergency Solutions Grant (ESG) funding. Actual grant terms and amounts may vary based on funding availability, application contents, grant agreement negotiations, and Grantee performance, as well as future needs. HSH may extend agreements for a total term not to exceed ten years and change and/or increase funding amounts in accordance with City rules and regulations.

B. Terms and Acronyms Used in this RFQ

Term	Definition
Access Point (AP)	Access Points are localized community gateways into San Francisco's Homelessness Response System (HRS), which is the overall system of programs and housing opportunities for those experiencing homelessness. The Access Point staff will assess households for service needs and eligibility and provide Problem Solving, needs assessment, prioritization, and referrals to appropriate resources.
Adult	An adult is an individual experiencing homelessness over the age of 18, without the custody of a minor child. Adults include individuals, couples, seniors, and veterans.
At-Risk of Homelessness	The U.S. Department of Housing and Urban Development (HUD) designates a household as at-risk of homelessness if it has an income below 30 percent of the median family income for the area, as determined by HUD; does not have sufficient resources/networks to prevent it from moving into an emergency shelter or other places not meant for human habitation; and meets conditions as outlined in 24 CFR § 576.2.
City	The City refers to the City and County of San Francisco.
Coordinated Entry (CE)	CE organizes the Homelessness Response System (HRS) with a common, population-specific assessment, centralized data system, and prioritization method that directs participants to the appropriate resources and allows for data-driven decision-making and performance-based accountability. CE in San Francisco is organized to serve three subpopulations through Access Points: Adults, Family, and Youth.
Coordinated Homeless Assessment of Needs and Guidance through	Used in the Adult Shelter System by 311, Reservation Sites, and Resource Centers to make time-limited shelter reservations for single adults experiencing homelessness. Reservation Sites and Resource Centers create guest profiles in CHANGES before guests may access shelter. Guests are checked into shelter via CHANGES by shelter staff. CHANGES holds basic demographic information only. No

C. Overview of HSH’s Homelessness Response System (HRS)

The Homelessness Response System (HRS) is the overall network of services to address homelessness managed by HSH. The goal of this system is to prevent homelessness when possible and to make it rare, brief, and one-time. Core components of the HRS include: Coordinated Entry, Street Outreach, Problem Solving, Temporary Shelter, Housing, and Housing Ladder.

Coordinated Entry (CE) is a key component of this response system. CE is a consistent, community-wide intake process to match people experiencing homelessness to available community resources that are the best fit for their situation. CE includes a clear set of entry points, a standardized method to assess and prioritize people needing assistance, and a streamlined process for rapidly connecting people to the best type of housing intervention to address their needs.

CE will fully integrate into the Online Navigation and Entry (ONE) System, San Francisco’s Homeless Management and Information System (HMIS). The assessment will build upon the standard intake and be entered directly into ONE. Referrals to Rapid Rehousing, transitional and permanent housing will be made through the ONE System.

CE Access Points, which serve as the community connector to the HRS, offer direct services or provide referrals to services that assist eligible San Francisco households in resolving their homelessness or housing crisis. Access Points have four primary functions: 1. Eligibility screening for services; 2. Problem Solving to avoid entering the public shelter system; 3. Housing assessment and navigation to prioritize program participants based on living situation and vulnerabilities; and 4. Matching to determine eligibility for available housing opportunities and referral to a potential housing opportunity, based on eligibility and assessment results.

This coordinated process will dramatically reduce the burden placed on people experiencing homelessness by removing the necessity to seek assistance from every provider separately and instead streamline access to the resources in the HRS.

D. Overview of HSH’s Strategic Framework and Statement of Need

In October 2017, HSH published its Strategic Framework. The Framework outlines the Department’s top priorities for reducing homelessness by the end of 2022. It describes the key elements of a Homelessness

Response System designed to curb homelessness and looks at each of the three primary groups experiencing homelessness in San Francisco—adults, families with children, and youth—and what is needed to better meet the unique needs of each.

The Framework seeks to align existing and new programs within a system that treats homelessness as an emergency to be responded to quickly and effectively. To effectively implement this system-wide approach, all resources and programs must employ consistent, compassionate, and common-sense strategies with measurable goals. Using a system of CE, Problem Solving and prioritization, HSH and our partners will match resources to needs and ensure that those with the greatest challenges receive targeted assistance. Data and accountability will be built into the system. The strengths and dignity of people who are experiencing homelessness will be elevated throughout the system.

The Strategic Framework lays out our vision for significantly reducing homelessness in San Francisco and quickly getting house keys into as many hands as possible. Applicants are encouraged to familiarize themselves with the Framework, which can be found at hsh.sfgov.org. Through the provision of coordinated, compassionate, and high-quality services, HSH strives to make homelessness in San Francisco rare, brief, and one time.

E. Overview of HSH's Approach

Grantee shall incorporate applicable best practices in service provision to the population, as well as the concepts articulated in HSH's Strategic Framework, including, but not limited to:

1. **Housing Focused** - The system and all programs within it will use a Housing First, low barrier approach focused on ending homelessness for each household as quickly as possible.
2. **People Focused** - People should drive their solutions and the programs should focus on meeting their needs. Through shared assessment and a common front door, program participants should have a clear understanding of how to access services and what to expect from the system; participants should not be required to sign up for numerous waiting lists or approach multiple programs to receive help. Participant choice, strengths, and personal networks will be considered as part of finding the right solution.
3. **Accountability** - The system will be held accountable for results, using data to track to the goals and performance measures for each component and to ensure each participant is being well-served. HSH will evaluate progress and report to the community on a regular basis.
4. **Stakeholder Informed** - Decisions about design, implementation, and review of results will be carried out with collaboration and input from a broad range of unhoused and housed stakeholders.
5. **Respectful** - It is imperative that services be delivered in a respectful, appropriate manner. Best practices, such as strengths-based interviewing, trauma-informed care, and harm reduction, must be incorporated into all programs.
6. **Data-Driven** - Data will be used by all providers and the system as a whole to best serve each individual, assess the outcomes of programs, evaluate impact, inform changes, and guide investment to ensure we achieve maximum impact.
7. **Targeted** - The system will match people to the right level of assistance to end their homelessness. Not all people experiencing homelessness require the deepest level of intervention. HSH will focus on making the most efficient use of its resources by matching the right person to the right resource at the right time, using Prevention, Problem Solving, flexible subsidies, and Permanent Supportive Housing, depending on need.

8. Innovative - With the systems goals in mind, opportunities to adapt practices and innovative new strategies and approaches are encouraged and will be supported and evaluated.
9. Equitable - With mindfulness about the racism and bias that has disproportionately created homelessness among people of color and lesbian, gay, bisexual, transgender, and questioning (LGBTQ) people, HSH is committed to equity in the Department, system, and programs.
10. Urgent - Each household's homelessness should be treated as an emergency and the system will respond accordingly.

F. Funding Sources

The current source of funding for services provided under this RFQ is the HUD ESG program.

Future sources for services provided under this RFQ may include other federal, state, and local funds.

Payment for all services provided in accordance with provisions under this RFQ shall be contingent upon the availability of funds for providing these services. The City shall not be required to provide any definite units of service nor does the City guarantee any minimum amount of funding for the services described in this RFQ.

2. Scope of Work

This section is a general guide to the work the City expects to be performed under ESG funding, and is not a complete listing of all services or requirements.³

2. Rapid Rehousing⁵

In order to receive Rapid Rehousing services, participants must meet the criteria under paragraph (1) of the "homeless" definition in CFR 24 § 576.2; or meet the criteria under paragraph (4) of the "homeless" definition and live in an emergency shelter or other place described in paragraph (1) of the "homeless" definition.

Rapid Rehousing may be provided to households who meet Category 1, or 4 of homelessness in the U.S. Department of Housing and Urban Development's (HUD) Final Definition of Homeless:

- Category 1: Households who lack a fixed, regular, and adequate nighttime residence; this includes a subset for an individual who is exiting an institution where he or she resided for 90 or fewer days and who resided in an emergency shelter or a place not meant for human habitation immediately before entering that institution; and/or

Emergency Shelter may be provided to households who meet Category 1, or 4 of homelessness in the U.S. Department of Housing and Urban Development's (HUD) Final Definition of Homeless:

- Category 1: Households who lack a fixed, regular, and adequate nighttime residence; this and includes a subset for an individual who is exiting an institution where he or she resided for 90 or fewer days and who resided in an emergency shelter or a place not meant for human habitation immediately before entering that institution; and/or
- Category 4: Households who are fleeing, or are attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions that relate to violence against the individual or a family member.

B. Referrals and Prioritization

1. Homelessness Prevention

Currently, participants enter Homelessness Prevention programs by presenting at the agencies that offer this service component to prevent entry into the HRS.

2. Rapid Rehousing

⁵ See 24 CFR 576.104.

⁶ See 24 CFR 576.2.

All new participants will be referred by HSH via CE, which organizes the HRS. Grantee shall receive referrals from San Francisco's HRS. All program participants must be screened and assessed at an Access Point and referred for Rapid Rehousing by the San Francisco CE System.

All Rapid Rehousing referrals funded by HSH must be received solely from direct referrals through the CE System via the Online Navigation and Entry (ONE) System. Grantee shall work with any referred participant, regardless of barriers to housing or other challenges. This includes serving adults or families who may be unsheltered at the time of referral to or enrollment in the program.

3. Emergency Shelter

All new households (e.g. families) will be referred by HSH via CE through the Family Access Points. The Access Point staff assesses households for service needs and eligibility, and conduct Problem Solving conversations. Access Points work to ensure those with the highest needs are able to access shelter and appropriate housing interventions.

All single households (e.g. single adults) currently enter emergency shelter through HSH's current shelter reservation system. In order to enter, the single adult must be age 18 or over, and

- a. Have a CHANGES (or successor system) profile with basic demographic information, including photo and finger images, if available in the software system; and
- b. Have a current Tuberculosis (TB) screening clearance. This documentation must be updated annually, or as recommended by the Department of Public Health (DPH); and
- c. Be able to self-care, as defined by the DPH.

Participants must obtain one-night or weekend reservations through HSH-authorized agencies, such as Shelter Reservation Sites or Resource Centers. For extended, time-limited reservations, participants must get on the Citywide Waitlist administered by 311.

C. **Description of Services**

ESG provides funding to improve the number and quality of emergency shelters; help to operate shelters; provide essential services to shelter residents; rapidly rehouse individuals and families; and prevent families and individuals from becoming homeless.
