**Presentation to the Local Homeless
Coordinating Board:**

Interim Shelter at 180 Jones

February 1, 2021

Executive Summary

- 180 Jones safe sleeping site has 21 residents
- Streets Team Enterprises (STE) has managed the site (8 a.m. to 4 p.m.) since Nov. 2020
- RescueSF and DignityMoves are proposing to replace tents with interim shelter cabins
- Cabins will be purchased with private funds
- 180 Jones will be a pilot site for interim shelter
 - Measure resident outcomes and costs
 - Goal: With successful pilot, City adopts at scale

Background on 180 Jones

- Early 2020, parking lot with unsanctioned tents
- May 2020: Safe sleeping site established
- Portable bathrooms on sidewalk
- No services or daily support for residents
- Nov. 2020: STE contract (M-F, 8-4) to support basic needs, resource linkage, safety
- Mar. 2021: proposed start for 24x7 safety team

180 Jones: Current Situation

Project Vision for 180 Jones

- Interim Shelter Proposal sponsored by RescueSF and DignityMoves
- Replace tents with interim shelter cabins
- Private funding of the shelter units
- 180 Jones owned by MOHCD
- In 2022, TNDC will develop the site
- All residents will move to permanent housing or to another interim shelter site
