Background

- San Francisco and the Bay Area are in the middle of a housing affordability crisis.
- Approximately 8,000 people are unhoused in San Francisco.
- Every day, the City provides housing and shelter to over 14,000 people.
- The pandemic reinforced that housing is both health care and the solution to homelessness.
- Confluence of state and local resources that make building acquisition a viable option to expand permanent housing.
- Over 1,000 TAY (18–24-year-olds) experiencing homelessness in SF. With 83% living unsheltered.

TAY Homelessness in SF

- On any given night in San Francisco, there are more than 1,000 young people without a home.
- Youth homelessness is deeply rooted in racism, homophobia, and transphobia.
- Solving youth homelessness means having the prevention services, shelter and long-term housing that meet the unique of unhoused young people.

Supportive Housing

- **Affordable** housing with onsite supportive services. Tenants have their own units and their own leases.
- The City currently funds **~10,000 units of PSH** for families, TAY and adults.
- **Nonprofit partners** provide property management, social services and cultivate a safe and uplifting environment for tenants and neighbors.
- All referrals are managed through the City's Coordinated Entry system.
- PSH is extremely effective at stabilizing the lives of its tenants. **PSH tenants have less than a 2% eviction rate.**

TAY Housing

- The nonprofit team will provide support services and property management
- A nonprofit partner will provide time-limited real estate development management to support the occupied rehab process.
- Services focus on housing stability, health, wellbeing, employment & education.
