

HHIP Investment Plan

San Francisco Health Plan & Anthem Blue Cross

September 12th, 2022

**SAN FRANCISCO
HEALTH PLAN™**

Here for you

Goals for Today

- What is the Housing & Homelessness Incentive Program (HHIP)?
- What is the HHIP Investment Plan?
- Managed Care Plan request for Endorsement
- Questions?

What is the Housing & Homelessness Incentive Program (HHIP)?

- Incentive program for Medi-Cal Managed Care Plans (MCPs) to earn dollars for addressing and reducing homelessness for health plan members.
- Program period: Jan 2022 – March 2024
- San Francisco maximum earnable dollars: up to \$45M
- MCPs must work collaboratively with the Continuum of Care, in alignment with local strategy and priorities
- HHIP Goals:
 1. Ensure MCPs have the necessary capacity and partnerships to connect their members to needed housing services
 2. Reduce and prevent homelessness

What is the HHIP Investment Plan?

- The Investment Plan is for MCPs to demonstrate they have a clear plan for achieving measures and targets across the course of the program, in collaboration with their local partners
- Each plan submits their own Investment Plan by 9/30
- MCPs can earn up to 10% of their total HHIP allocation for a successful submission
- DHCS does not expect MCPs to make updates to their plans, but each MCP will be required to describe the lessons they learn from their investments, what has worked and what has not worked, as part of subsequent progress reports.
- The HHIP Investment Plan is focused on the health plan's investments that will help meet HHIP metrics. It does not need to include all potential investments from the plan.

What is the HHIP Investment Plan?

- 1. Investments:** Description of specific investments we intend to make to overcome identified housing and service gaps and needs to meet the goals of HHIP. Must include details of anticipated funding activities, investment amounts, recipients, and timelines. For each intended investment, MCPs must specify which HHIP measure the investment will impact and whether the investment will support MCP or provider/partner infrastructure and capacity (or both), or direct member interventions.
- 2. Risk Analysis:** Brief risk analysis to identify challenges we may face in achieving the HHIP program goals and in making the investments outlined in Part 1.
- 3. CoC Letter of Support:** Submission must include a signed letter of support from our CoC partner(s) HSH validating that the CoC(s) collaborated with SFHP and Anthem, were given an opportunity to review the MCP's IP, and support the MCP's IP.
- 4. Attestation:** Signed attestation that the IP provides a true representation of the MCP's expected investment plan and strategy for achieving program measures and targets. The attestation must be signed under penalty of perjury by the MCP's Chief Executive Officer or Chief Financial Officer, or equivalent executive officer, or their designee.

HHIP Proposed Investments

Investment	Description	Estimated Funding
CoC Infrastructure	Build data infrastructure and data sharing with health plans, explore administrative data for Coordinated Entry, support for PIT count, racial equity strategies	\$1-3M
Street Medicine	Support SF street health teams in building Medi-Cal infrastructure, delivery of outreach and medical services	\$1-3M
Strategic Housing Investments	Navigation services, respite beds, capital costs/investments, in-home health services and supports	\$5-10M
MCP Internal Capacity Building	Build health plan context expertise and capacity to support housing and homelessness strategies and implementation	<\$1M

Next Steps

- **Today:** Request for support of SFHP and Anthem's Investment Plans
- **September:** SFHP and Anthem to continue collaboration with HSH to refine HHIP Investment Plan
- **9/30:** MCPs submit HHIP Investment Plans to DHCS
- **10/3 LHCB:** MCPs to share submitted Investment Plans with CoC
