# Review: Action Steps Document

Organized under: 1) Connecting to CE, 2) Understanding People, and 3) Identifying and Matching Resources to Meet People's Needs

Includes action steps, description of what that action will achieve, partners, resources, policy changes, and notes on where we still need clarity

## 1. Connecting to CE System

Action Step	What problem will this solve? Or what will this achieve?	Who needs to be involved?	What resources or policy changes will we need?	Additional notes (Any clarity needed? Any questions?)
<b>Consistent CE Messaging:</b> Clearly define what CE is Establish vision, mission, and value statement for "Connecting to CE"	Current lack of understanding of what CE will and will not do for the user of CE assistance. Allow the community to speak in a unified voice on the purpose of CE. A sense of transparency of the	Households experiencing homelessness or at risk of homelessness Access Point staff	HSH Strategic Planning policies HRS policies	

# Individual Review and Work Time

## Review:

- Read through the entire document
- OR pick one section of the document to focus your attention on

## Comment:

- Add comments in the document or email comments
- Consider if you have anything to add in areas that are still blank
- Share any comments or questions you still have in the last column

Next Steps

# Upcoming:
