Limitation on Communications and Contact

Limitation on Communications

From the date this solicitation is issued until the date the competitive process of this solicitation is completed (either by cancelation or award), Proposers and their subcontractors, vendors, representatives and/or other parties under Proposer’s control, shall communicate solely with the Contact whose name appears in this Proposal. Any attempt to communicate with any party other than the Contact whose name appears in this Proposal, including any City official, representative or employee, is strictly prohibited. Failure to comply with this communications protocol may, at the sole discretion of City, result in the disqualification of the Proposer or potential Proposer from the competitive process. This protocol does not apply to communications with the City regarding business that is unrelated to this Proposal.

Applicants

- HSH shall award one contract to the Proposer that meets the Minimum Qualifications of this Solicitation and whose Proposal receives the highest-ranking scores.

- Proposers are required to subcontract Encampment Resolution Team (ERT) services and may additionally subcontract any other portion of the work included in each service component, but HSH will only enter into a single agreement with the prime/lead Contractor.

- The awarded Contractor is expected to provide all services described either directly or through a subcontractor, as listed in this RFP, and in compliance with the funding requirements.
Service Philosophy

HSH desires Proposers with

- a deep understanding of and focus on racial equity to achieve different outcomes in the communities HSH serves and pay close attention to those who are often excluded

- An ability to lead with a Housing First philosophy, which includes principles of harm reduction and low barriers to entry;
Background

- SFHOT is the front door to the Homeless Response System
- The goals of SFHOT are to
  - Improve shelter placement outcomes of those who are unsheltered;
  - Ensure that those living in the streets, tents, structures, cars and other vehicles have access to available services and resources
  - Ensure that families, adults, and youth experiencing homelessness have access to Coordinated Entry systems and HRS
  - Provide sustained, relationships-based, housing-focused case management and housing navigation services to the most vulnerable clients until they are successfully housed;
  - Provide supplies and wellness checks to unsheltered persons during emergency activation such as inclement weather; and
  - Deescalate crises in the streets to reduce unnecessary emergency room visits
Served Population

- SFHOT services are available to unsheltered adults, youth, and families experiencing acute homelessness
- Outreach services work to engage and stabilize the most vulnerable individuals experiencing homelessness by connecting them to available and appropriate resources
Scope of Work - Outreach

Outreach includes

- Conducting field-based outreach to support and engage unsheltered individuals throughout San Francisco in accessing shelter, housing, and other City services
- Providing Housing Primary Assessments and referring individuals who meet the appropriate criteria to Case Management Services
