The Department of Homelessness and Supportive Housing (HSH) Contracts team requests authorization to enter into a new grant agreement with Abode Services for the provision of Prevention Fiscal Agent for the period of April 1, 2024 to June 30, 2026. This new agreement is for new services.

#### **Background**

HSH, in partnership with the Mayor's Office of Housing & Community Development, provides critical homelessness prevention services through the San Francisco Emergency Rental Assistance Program (SF ERAP), which serves more than 2,300 households per year. The provision of financial assistance at this level is complex, requiring significant organizational and fiscal capacity to ensure that assistance is issued in a timely manner to maintain the client's housing. As the need for homelessness prevention services in San Francisco continues to grow, SF ERAP Providers require additional support to continue issuing assistance efficiently and effectively. Through this grant agreement, Abode Services will serve as the Fiscal Agent for SF ERAP and issue financial assistance on the program's behalf. This grant agreement is modeled after similar services provided by Abode for HSH's Problem Solving program, which has proven highly successful. HSH expects that this agreement will reduce the time for issuing assistance by several days, which can have a significant impact when a household is on the verge of losing their housing.

<sup>&</sup>lt;sup>1</sup> The funding sources listed reflect current and future years.

#### Services to be Provided

The purpose of the grant is to provide Prevention Fiscal Agent services to all populations at high risk of homelessness, including families, adults, and transitional age youth (TAY). Grantee will provide services to 980 households over the *course of the initial agreement term* with a budgeted staff of 1.68 full-time equivalent (FTE) in FY 23-24 and 3.35 FTE in FYs 24-25 and 25-26.

### Selection

The Board of Supervisors adopted Ordinance No. 61-19, which authorizes HSH to enter into and amend contracts and grants without adhering to the Administrative Code provisions regarding requirements for construction work, procurement, and personal services related to the shelter crisis, which is valid until May 2024, or until the Point In Time (PIT) count is at 5,350. Abode Services was selected for provision of these services based on the organization's experience and ability to begin services in a timely manner.
