The Department of Homelessness and Supportive Housing (HSH) Contracts team requests authorization to enter into a new grant agreement with Community Forward SF for the provision of Flexible Housing Subsidy Pool (FHSP) for the Ending Transgender Homelessness Initiative (ETH) for the period of March 1, 2024 to June 30, 2026. This new agreement is for new services.

#### Background

Transgender, gender nonconforming, and intersex (TGNCI) people disproportionately experience homelessness and are more likely to be unsheltered. In May 2022, Mayor London Breed announced a plan to end homelessness for TGNCI San Franciscans in five years. FHSP for ETH is part of the investments that the City has committed for this cause. The FHSP program provides permanent solutions to homelessness by offering ongoing rental subsidies for units in the private rental market. Participants housed through FHSP pay 30 percent of their income towards rent and sign their own leases to secure participant rights. To ensure participants receive ongoing support and maintain housing stability, these rental subsidies are accompanied by supportive services.

<sup>&</sup>lt;sup>1</sup> A 20 percent contingency applied to the budget amount for the term.

<sup>&</sup>lt;sup>2</sup> The funding sources refer to the budget for the full agreement term.

HOC Package - 2 of 20 Grant Agreement Approval: Community Forward SF | Flexible Housing Subsidy Pool for the Ending Transgender Homelessness Initiative

This program also provides capacity building support for Grantee as part of the ETH. HSH has identified the needs for capacity building to administer this program successfully.

#### Services to be Provided

The purpose of the grant is to administer all service components of the FHSP program to formerly homeless and income-eligible TGNCI adults without the custody of minor children. On an annual basis, Grantee shall serve 62 participants with a budgeted staff of 7.25 full time equivalent (FTE).

#### Selection

The Board of Supervisors adopted Ordinance No. 61-19, which authorizes HSH to enter into and amend contracts and grants without adhering to the Administrative Code provisions regarding requirements for construction work, procurement, and personal services related to the shelter crisis, which is valid until March 2024, or until the Point In Time (PIT) count is at 5,350. Community Forward SF was selected for provision of these services based on the organization's experience and ability to begin services in a timely manner.
