Funding Information	
Funding Sources ⁴	100% Prop C (Our City, Our Home (OCOH) Fund)

The Department of Homelessness and Supportive Housing (HSH) Contracts team requests authorization to amend the grant agreement with Tenderloin Housing Clinic, Inc. for the provision of the Abigail Housing Ladder program, for the period of January 1, 2021 to June 30, 2026, in an additional amount of \$4,627,160. The additional funds continue current funding levels for the remaining four months of FY 23-24 plus two additional performance years. The proposed budget sustains the case manager and frontline property management staff wage increases implemented in FY 22-23. The requested new NTE amount is \$9,969,196, which includes the \$9,255,291 budget and a 12% contingency.

Background

The Abigail Hotel currently operates as a Housing Ladder program offering a unique opportunity for residents who live in an HSH Permanent Supportive Housing Site (PSH) and no longer require intensive case management support services, with an opportunity to transition into a more independent housing setting. As a result, PSH units become available for others experiencing homelessness who need PSH with intensive case management services, to be respectfully linked to the appropriate housing setting, while clients who have "moved on" maximize their independence through the Housing Ladder Program.

The launch of the Abigail Housing Ladder program was initially planned for 2020, but plans were delayed due to the pandemic. The site was subleased to the City's Human Services Agency in February 2020 for use as a Shelter in Place (SIP) Hotel. The SIP program began winding down and transitioning back to Tenderloin Housing Clinic, Inc. in March 2021. All SIP guests were relocated by the end of FY 20-21. From July to September 2021, Tenderloin Housing Clinic, Inc. in partnership with the building owner and HSH started preparing for the building for occupancy by Housing Ladder program tenants, which required building rehabilitation, turning all units, and completion of common area work. The site passed Housing Quality Standards (HQS) inspections in September 2021. Although tenants began to move in starting early October 2021, the lease up process had to be paused in late November due to the elevator being out of operation. Tenderloin Housing Clinic, Inc. continued to receive referrals and review applications during this pause, and was able to resume move-ins in early 2022 until the building was fully leased up.

Services to be Provided

The purpose of the grant is to provide Housing Ladder services to formerly homeless adults without the custody of minor children, including those who have demonstrated stability in permanent supportive housing and can benefit from more independent affordable living. Housing Ladder services include light touch Support Services, Property Management and Master Lease Stewardship. Grantee serves tenants of 61 units at the Abigail Hotel with an annualized budgeted staff of 3.58 full time equivalent (FTE). This includes 1.0 FTE Case Manager, 1.0 FTE Property Manager, 1.0 FTE Maintenance Worker and 0.3 FTE Support Services management, and 0.28 FTE other facilities management staff.

Selection

The Board of Supervisors adopted Ordinance No. 61-19, which authorizes HSH to enter into and amend contracts and grants without adhering to the Administrative Code provisions regarding requirements for construction work, procurement, and personal services related to the shelter crisis, which is valid until

⁴ The funding sources and percentages refer to the budget for the amendment period of March 1, 2024 to June 30, 2024. As the one-time ERAF funding source has been exhausted, the grant will be funded by Prop C, a new funding source for this budget, through the remaining term.

May 2024, or until the Point In Time (PIT) count is at 5,350. Tenderloin Housing Clinic, Inc. was selected for provision of these services based on the organization's experience and ability to begin services in a timely manner. The provider has been serving Abigail Housing Ladder tenants since October 2021.

Risks if Delayed

Should this amendment be delayed, HSH will not be able to continue reimbursing Tenderloin Housing Clinic, Inc. for services provided after February 2024. If the provider does not have sufficient funding to continue program operations, the 61 adults who hold leases for Abigail units would need to be rehoused or face risk of homelessness.

Performance History

Tenderloin Housing Clinic, Inc. underwent fiscal monitoring most recently in FY 22-23. The final monitoring disposition was Verification of Conformance (no findings).

The Tenderloin Housing Clinic, Inc. support services and program management team participated in onsite and virtual program monitoring in April 2023 to monitor January 2021 to June 2021 and FY 21-22. During this monitoring period, the program had few findings and has since been improved. HSH notes that the site has an older model elevator that does not easily support larger wheelchair access. The elevator also experiences frequent service issues. At the time of the monitoring visit, the elevator was operable, but the elevator certificate was not displayed. Also, during the monitoring period HSH was made aware that all lease agreements were in the process of being updated to include required addendums, policies, and procedures. The HSH programs team plans to conduct FY 22-23 monitoring in April 2024.
