Home By the Bay (Strategic Plan Goal)

Goal #1

Decreasing homelessness: Reduce the number of people who are **unsheltered** by 50% and reduce the total number of people experiencing homelessness by 15%.

Goal #2

Reducing Racial Inequities and Other disparities: Demonstrate measurable reductions in racial inequities and other disparities in the experience of homelessness and the outcomes of City programs for preventing and ending homelessness.

Adult Shelter System

Types of Adult Temporary Shelter Programs

- **Emergency shelter:** Facilities with amenities and services like showers, food, laundry, security, and case management.
- **Navigation Centers:** Low-barrier shelter model with amenities and services that offers flexibility for partners, pets, and possessions.
- **Cabins:** Individual cabin units with communal restrooms, showers, and other amenities and services.
- **Trailers:** Individual trailers or RVs provided to guests with access to amenities and services.
- **Crisis Intervention programs:** Spaces where guests can stay safely in their own tent or vehicle and access amenities and services.
- **Winter Shelter:** Time-limited emergency shelter program at rotating locations operating throughout the winter.
- **Shelter Overflow:** Beds and units allocated to guests from congregate shelters who need to temporarily isolate or quarantine due to infectious diseases.
- **Emergency Pop-up Shelters:** Temporary expansions of shelter for unhoused people during inclement weather, public health emergencies, and other emergency events.
- **Drop-in Centers:** Programs who offer services to people living unsheltered, chairs available for rest.
