Coordinated Entry Access Partners

- **Access Partners** are other public entities that frequently serve people who are unhoused in SF but do not have HSH contracts with Coordinated Entry (examples: Department of Public Health, SF Homeless Outreach Team.)
- Staff at these organizations can conduct **Housing Primary Assessments**.

Multidisciplinary Team (MDT)

Coordination between Human Services Agency, HSH, and other external partners (example: Bay Area Legal Aid, Housing and Disability Advocacy Program.)

Goal to ensure **Adults of temporary shelters** have:

- Met with a Coordinated Entry Access Point for Problem Solving, Assessment, and Prioritization.
- Applied for all potential public benefits such as Supplemental Security Income (SSI), CAAP (cash aid), CalFresh, and Medi-Cal.

PROBLEM SOLVING & PREVENTION

Problem Solving interventions offered at Access Points. Problem Solving Specialists will engage in exploratory conversations to help identify immediate safe housing options without the need for shelter or ongoing support.

- Housing location assistance
- Travel and relocation support
- Flexible, one-time, short-term financial assistance (i.e. security deposit, move-in costs)
- Connection to employment (Pilot with Office of Economic & Workforce Development (OWED))

Prevention through SF ERAP - San Francisco Emergency Rental Assistance Program provides financial assistance for move-in costs (security deposit, first/last month's rent) and rent owed for households who meet the following:

- Current San Francisco resident
- Household income at/below 50% Area Median Income (AMI)
- *At high risk of homelessness or housing instability*

Housing Primary Assessment

- If the household is not initially able to resolve their housing crisis through Problem Solving, the next intervention is a Housing Primary Assessment.
- The Housing Primary Assessment is an interview tool used to assess three main criteria:
 - **Vulnerability:** experience of trauma and violence, physical and behavioral health, and use of crisis services, among other factors.
 - **Barriers to housing:** includes legal issues, income, and overall resources available.
 - **Chronicity of homelessness:** duration and frequency of homelessness

Prioritization

- Since housing in San Francisco's Homeless Response System (HRS) is *limited*, Coordinated Entry prioritizes those with the highest needs to available housing. HSH estimates what proportion of households will be Housing Referral Status or Problem Solving Status:
- **Housing Referral Status:** people experiencing homelessness who are prioritized for housing based on their health *vulnerability, barriers to housing, and chronicity of homelessness*
 - Households are placed in a housing queue and referred to available housing programs.
- **Problem Solving Status:**
 - Households are provided continuous Problem Solving interventions to identify *other* pathways without needing to access the Homelessness Response System. These can include housing location assistance and relocation support outside San Francisco.

Both Housing Referral Status and Problem Solving Status represent a path to permanent housing.

Referral

- **The process of matching households that are Housing Referral Status** to housing programs based on eligibility criteria and availability.
 - Households are referred to Permanent Supportive Housing (PSH) or Rapid Rehousing (RRH).
 - **Housing navigation:** Facilitates the enrollment and placement into a housing program. Includes support with document collection (i.e. identification, income verification, and other documents requested by provider), assistance with lease signing and move-in, and coordination with providers who are working with the Housing Referral Status Household.
- 

Connection to Permanent Housing Programs

- **Permanent Supportive Housing (PSH)** – long-term rental assistance (subsidy) with a range of supportive services including case management and housing retention assistance
- **Rapid Rehousing (RRH)** – time-limited rental assistance (subsidy) that gradually decreases as the Household stabilizes and assume full responsibility for rent. Households live in private-market units and access supportive services, including case management and housing retention assistance.

Coordinated Entry Administrative Review

- During the housing assessment, *if a person(s) is unable to adequately self-report their **vulnerability, barriers to housing, and chronicity of homelessness***, then a provider or case manager working closely with the person(s) can request an Administrative Review.
 - Person(s) cannot request an Administrative Review for themselves.
 - Only for person(s) identified as Problem Solving Status
- The result of the Administrative Review is either an affirmation of Problem Solving Status or reassignment to Housing Referral Status.
 - Housing Referral Status households will be placed on a housing queue.
