The Department of Homelessness and Supportive Housing (HSH) Contracts team requests authorization to amend the existing grant with Episcopal Community Services (ECS) for the provision of Flexible Housing Subsidy Pool (FHSP) for the period of February 15, 2021 to June 30, 2027, in an additional amount of **\$17,372,850**. The addition of funds includes a Cost of Doing Business (CODB) increase and three additional performance years. The new amount is **\$29,523,174** which includes a 15 percent contingency of **\$2,605,297** on the FY 24-25 – FY 26-27 amounts.

Background

ECS initiated the FHSP program in April 2021 as a crucial component of HSH's Shelter-in-Place (SIP) rehousing initiative. Originally designed to assist COVID-vulnerable individuals and seniors aged 60 and above during SIP rehousing and demobilization efforts, the program has transitioned to serve single adults experiencing homelessness, assessed as housing referral status through the Homelessness Response System.

The FHSP program takes a proactive approach in combating homelessness, providing lasting solutions by offering permanent rental subsidies for private market units. Program participants contribute 30 percent of their income towards rent, securing their own leases to establish tenant rights. These subsidies are complemented by housing-focused case management, reinforcing the commitment to housing stability.

Services to be Provided

The purpose of the grant is to administer the FHSP to single adult tenants aged 60 years or older, without custody of minor children; and single adult tenants aged 18 to 59, without custody of minor children. Grantee will provide housing location, housing coordination, landlord liaison and subsidy administration services to 130 individuals, and will provide housing focused case management to 110 individuals with a budgeted staff of **15.06** full-time equivalent (FTE). The remaining 20 individuals will receive housing focused case management through a collaborative partnership with Bayview Hunters Point Foundation.

ECS encountered underspending, primarily stemming from challenges in staff vacancies and retention. Additionally, this delayed the pace of referrals and placements into suitable housing, which exacerbated the situation, further impeding the program's ability to meet its placement goals and utilize funding. March 2024, ECS enrolled 124 and placed 106. ECS is working towards full capacity of 130 placements.

ECS has since hired staff and is accepting an average of five referrals on a monthly basis. ECS is expected to enroll 130 households by the end of April 2024. ECS has expensed \$2,176,679.00 (42%) as of February 2024. The monthly invoices will continue to increase as ECS places households in the private rental market.

Selection

The Board of Supervisors originally adopted Ordinance No. 61-19 which was extended under Ordinance No. 38-24, authorizing HSH to enter into and amend contracts and grants without adhering to the Administrative Code provisions regarding requirements for construction work, procurement, and personal services related to the shelter crisis. The authorization is valid through May 5, 2029, or until the

Point In Time (PIT) count is at 5,350. ECS was selected for provision of these services based on the organization's experience and ability to begin services in a timely manner. Provider has been providing services for Flexible Housing Subsidy Pool since February 15, 2021.

Performance History

ECS underwent fiscal monitoring most recently in FY 22-23 and there were no findings.

ECS underwent program monitoring most recently in FY 21-22. Episcopal Community Services received findings in the areas of Performance Management & Oversight, Eligibility, Service Provision, and HMIS and Reporting. The findings were administrative and did not disrupt or hinder the scope of services being delivered.

Program monitoring for FY 22-23 is scheduled to be conducted on April 11, 2024.
